

UNIQUE BRILLIANCE QUADOMETER

UNIQUE BRILLIANCE: You were put on earth to do these things and these are the things you DESIRE to be doing. This is your zone of genius:

EXCELLENCE: You're highly skilled or have a knack for doing these things excellent. Others think this is your zone of genius!

COMPETENCE: Your smart and wise, you can figure most things out but these things, you NEVER want to do again:

INCOMPETENCE: You could do it if you had to but it would not be done well, your brain would freak out and you would be rather bummed if you day in and out consisted of these things ever again:
